Prophetic Faith (Part 1)

(May 2, 2004)

What is prophetic faith? It is a faith that speaks and it is so. God spoke in the beginning and it was so. God created everything with his prophetic voice. God said let it be, and it was so. God is still speaking today through his prophetic artist, through his prophetic people, through his prophets. His words still create when they are spoken and received in faith.

Now faith is the substance of things hoped for, the evidence of things not seen. We could say that faith is the proof that what you cannot see with your natural eyes is still existing in the spiritual realm. It is like when a woman conceives in her womb, the baby cannot yet be seen, nevertheless, it is still there and after an appointed time the baby, or what you are believing, will be born.

God tells us that we can have prophetic faith, not pathetic faith, but the faith of God to speak to the mountain of sickness, depression, financial lack, rejection, etc. and it will be removed if we believe in our hearts that what we say or what God says through us will come to pass.

How can we believe and speak? By knowing what God's will is. His will is His written Word. His will is a good will. He says in John III : "Beloved, I wish above all things that you will prosper and be in health, even as your soul prospers."

Proclaim it, say it, and God will bring it to pass in your life. You can be God's prophetic voice in the earth today.
