Healing Energy.

(August 26, 2004)

He that raised up Jesus from the dead will also **give healing energy to your bodies by His Spirit** that lives in you. (Romans 8:11 paraphrased)

In Ephesians 2:8 we read that for by grace are we saved through faith and that not of ourselves it is the gift of God . God tells us here through Paul what faith has made us by grace. That word "saved" does not only **include forgiveness from all sins but also includes healing and health for our bodies.**

Growing up in Sweden, for years I hungered for the supernatural and to understand divine healing and health. We saw healing take place sometimes at church, but most of the time it seemed like people got worse and died after we started to pray for them. **But the Lord saw my hunger and started to teach me as I was seeking for answers through fasting and praying and reading the Word and books about people that knew the Lord Jesus as the healer of the body.**

The year 1976 I made a covenant with the Lord (Exodus 15:26) that I was going to believe Him for the health of my body and the health of my family. This has resulted in that we and our children (now grown up) have enjoyed divine health all these years. Why is that? **Because of the healing energy coming to us from the Word by grace through faith.**

We all thank God for what medical science can do and does to help people overcome sickness and disease, but **we are talking here about healing and health from the Word by keeping our heart with all diligence because out of it are the issues of life** (Proverbs 4:23). In verse 22 it says that **His Word is life to those who find them, and health or medicine to all their flesh.**

The Holy Spirit is the healing energy of God who removes the sickness and heals the body when we both act on the Word of God and are led by the Spirit of God. I remember the time when I and was standing on stage trying out for Opera Högskolan after not having been able to sing for *months* because of asthma and allergies. As I stood there helplessly, praying in faith, suddenly the healing energy of God surged through my body starting at the top of my head to the soles of my feet, and I was able to sing totally free from asthma and allergies. **It was by the grace of God released through actions of faith.** James 1:22, 2:26

The woman who had been bleeding for twelve years and was desperate for help touched the garment of Jesus in faith, saying: **"If I may touch but His clothes, I shall be whole."** She prophesied her own healing, acted in faith on that prophetic word, and received healing energy into her body and **God was glorified through her faith and miracle.** Mark 5:25-34 **Let us all glorify God today by believing Him for our health and healing in Jesus name!**

There is a new move of my Spirit all over the world, so look forwards not backwards, says the Lord!
