

## Take the limits off your life with Faith like God's

(February 13, 2017)

### **In Mark 11:22 Yeshua tells us to have Faith like God's.**

We were created in God's image and given the ability to have God's Faith.

Faith is the great equalizer. It puts us all on the same plane, the plane of dependence on God's Word of grace and help for our lives.

**With God's Faith** we can speak in the name of Yeshua to the mountain or problem that is blocking our way, and it shall be removed. Mark 11:23

**With God's Faith** we can believe that we receive when we pray. Answers to our prayers, yes, we shall have them. Mark 11:24

**With God's Faith** we can forgive our enemies, and pray for those that spitefully use us, and try to hinder our Faith. Mark 11:25-26

**With God's Faith** we can cast out devils, heal the sick, and raise the dead. Matthew 10:8

In other words God's Faith takes the limits off our lives and puts us on the level of Jesus.

**More than once have I been in a situation when I did not know what to do, or where to turn. So I turned to the Lord and he saved me out of all my troubles.**

In 2 Chronicles 20 we read about how the Children of Israel were with their back against the wall. An enemy greater than them was coming against them.

Their King Jehoshaphat turn to the Lord in fasting and praying, telling the rest of the people to do the same. They came to the temple with their families standing helplessly before the Lord reminding Jehovah of his great and mighty promises to their ancestors. **Looking unto the Lord for the answer to their problem.**

**That is what faith in God is all about. It is about looking unto Jesus the author and finisher of our faith. Hebrews 12:2**

Jehovah intervened and saved Israel from certain destruction, and so he will do for you if you will only believe and look unto him for the answer to you problem.

When we look unto Him and what He can do, and not unto ourselves, we are taking the limits off of our lives, and opening the door for a glorious victory **through God's Faith.**
