

A Crack In The Wall Of Protection For Sweden

(April 14, 2017)

Recently, when Sweden was exposed to a terror attack, I felt very saddened. The main reason being that it was prophesied in 2015 and could have been prevented through repentance with prayer and fasting. However most people in the Church thought that it would never happen in Sweden, and as a result, did nothing.

Now, a different danger is on the horizon, the danger to think that this was only a one time occurrence and that the danger of terror attacks is no longer.

The opposite of that, however, is the real truth. ***There is a breach in the divine protection of Sweden, that has kept Sweden from wars and dangers for so many year.***

I saw this in a vision this morning. ***It was like there was a dyke, the prayers of the saint, that was protecting Sweden from a rising tide of water (judgment), but it had started to crack.***

When the enemy shall come in like a flood, the Spirit of the LORD shall lift up a standard against him. Isaiah 59:19

The enemy is coming in like a flood, but The Lord will lift up a standard against him, if we repent with prayer and fasting. If we as Israel of old, turn back to the Lord with all our hearts, with all our souls, with all strength, and with all our minds. With broken hearts before the Lord, imploring him to have mercy on us, for we have sinned, **he will hear our prayers and heal our land.**

This is a promise in the Word of God. **If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. 2 Chronicles 7:14**

Yes, the LORD wants to lift up a standard against the enemy, but he needs a people that are willing to do it with him. All that the Lord is doing in the earth he does through his body, the body of Christ, the anointed one. We are his members and his instrument in the earth, called to carry out his wonderful will and intentions. ***If this does not take place soon, this very tragic event will only be the beginning of many tragic events that will lead to more tears and more calls to repentance for the body of Christ.***

For the body of Christ, or Mashiakh, has been given the power and the authority to rule and to reign in the earth in these last days, in his name. Romans 5:17 tells us to ***rule in this life by one Jesus Christ.***

God has given us authority to tread on serpents and scorpions and over all the power of the enemy, and nothing shall by any means hurt us. Luke 10:19

Let us answer the call to intercede and mend the break in the dyke (wall of protection) while there is yet time. God is looking for a man or woman among us who will plug the dyke, or stand before Him for the land, so he will not destroy it.

Let it not be told about Sweden what was written in Ezekiel about the nation of Israel of old.

And I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land, that I should not destroy it: but I found none. Ezekiel 22:30
