

Healed By Faith In The Word Alone

(June 9, 2019)

But speak the Word only. Matthew 8:8

Did you know that we as believers can live in divine health, and be healed by just believing the Word of God.

Physical healing is part of our covenant with God our Father through the Blood of Jesus.

In Exodus 15:26, Jehovah instituted a covenant of healing with Israel:

And said, If thou wilt diligently hearken to the voice of the LORD thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the LORD that healeth thee.

This covenant is still valid today through the Blood of Jesus, and includes not only Israel, but all ethnic groups of the entire world.

Many years ago a missionary from Africa told me a story of his work in Africa. He and his team were focusing on non evangelized tribes, when they came in touch with a tribe that had been reached just by one man that had only given them the Word of God, and nothing else. They were amazed to find the simple faith of the people and how there was no sickness among them. When he tried to find out why, he was told that they had found out from the Word that by his stripes they were healed, and just simply believed it.

Many believers today tend to complicate the covenant promises of God, instead of just simply believing and acting like the Word of God is so, like the unchurched Africans.

Many people in the Bible were healed by simple faith in God's Word, and in my own life and family I have seen it happen over and over again since 1976, when I began to trust God for the healing of me and my family.

Here is a short list of a few of the thousands of healings and deliverances I and my family have seen through the years. Some in our own lives and some in other peoples lives.

Healings from depression, suicide, sever asthma and allergies. Deafness, migraine headaches, breast cancer, rheumatism, polio, sugar diabetes, blindness (from birth), nearsightedness, deafness (from birth) with dumbness, witchcraft and rebellion. Homosexuality, AIDS, spinal cord injury, short legs and all kinds of back and neck problems. Broken and crushed bones in legs and arms. Healing from cancer in lungs, stomach ulcer, gallbladder stones, lever disease, cancer in the prostate and female organs, venereal disease, bareness. Healing from gangrene, broken shoulder, broken ribs. Healing from heart attack and other heart abnormalities, appendicitis, and the list goes on and on, to long to write. Glory to God!

But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. Hebrews 11:6

Even if it seems like God has not answered your prayers for healing, you can decide to just trust God and His Word, with Thanksgiving and Praise.

Our Father Abraham and his wife Sarah were in need of a miracle from God, what did Abraham do?

And being not weak in faith, he considered not his own body now dead, when he was about an hundred years old, neither yet the deadness of Sara's womb: He staggered not at the promise of God through unbelief; but was strong in faith, giving glory to God; And being fully persuaded that, what he had promised, he was able also to perform. And therefore it was imputed to him for righteousness. Romans 4:19-22

When we begin to trust God for our healing, and say so, the healing power of God will come to our bodies through His confessed Word, and drive out all sickness and disease.

Bless the LORD, O my soul: and all that is within me, *bless* his holy name.

**Bless the LORD, O my soul, and forget not all his benefits:
Who forgiveth all thine iniquities; who healeth all thy diseases;
Who redeemeth thy life from destruction; who crowneth thee with lovingkindness and tender mercies. Psalm 103:1-4**

Amen!
