

Living In His Glory Is Dying To Self (January 12, 2020)

This morning as I was praying this Word of the Lord was quickened to my spirit as I sensed His shekhina or manifest presence.

The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; To proclaim the acceptable year of the LORD, and the day of vengeance of our God; to comfort all that mourn; To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the LORD, **that he might be glorified.**

The reason for my life and for your life and the reason for the Anointing on our lives, is to bring Glory to Him!

If we can just die to ourselves and our own ambitions, then there is no limit to what God can do through our lives, except our own limitation of vision and of faith in Him and His Word.

God wants us to have His vision for our lives, and that vision is found in His Word through the Holy Ghost!

Paul said by the Spirit “**I die daily**” in 1 Corinthians 15:31 and to “**present our bodies a living sacrifice**” in Romans 12:1.

Jesus said by the Spirit “**He that takes not his cross and follows after me, is not worthy of me.**” Matthew 10:38

The greatest victories I have seen in my own life have been when I have received the grace to do just that, die to myself and live through Him by Faith.

I can remember when Kathryn Kuhlman came to our Church in Sweden and how she talked to us about dying to herself thousands of times, before going onto the stage to minister healing by the Spirit of God.

Her words went through my spirit like a sword!

Then when we were in Paris, the Holy Spirit reminded me of that, when He spoke to me in French and said: “**La Gloir de Dieu sortira une coeur brisé.**”

Many people might not know this but she had, according to her medical doctors, a problem with her natural heart. However the Lord had told her just to trust Him for healing and strength, and not have an heart operation.

The Glory of the Holy Spirit of God gave her supernatural strength to work harder and bless more people through the healing ministry, then anybody that I can think of, because of the brokenness of her spirit.

So, the reason for divine healing is not so that we can watch Netflix on television without pain, and the reason for divine prosperity is not so we can just try to fulfill our natural desires, but all the blessings of God are for one purpose—**that He might be glorified!**
