

Prophetic dream about the 2020 presidential election

(October 14, 2020)

The Lord recently gave me a alarming dream about the 2020 presidential election in the United States.

It was a prophetic warning to the Body of Christ in America to turn back to God with repentance, with prayer, and with fasting in order to stop and avoid judgment from God.

In my dream I saw, to my great surprise, that Donald Trump had lost a much disputed election, that many believers had taken for granted that he would win.

As a result Pastors were shocked that they could no longer freely meet with their congregations to freely worship. Free speech and preaching was being restricted. Cities all over America were in flames from riots and looting. Constitutional rights and freedoms were removed. Fundamental changes to this nation from a capitalistic free market society to a centralized socialistic-communistic society were made, and that against the will of the majority of the people.

I woke up shaken over what I had seen sensing the presence of God standing by my bedside.

Then the Lord spoke: "This election does not have to turn out this way, if my People will only turn back to me in repentance, with prayer, and with fasting, then I will heal their land."

Consecration and Sanctification is the key to the anointing and revival

Many years ago as I was kneeling by my bed praying earnestly unto the Lord about revival I suddenly felt a hand on my back, and heard the voice of the Lord saying: "**Repentance with prayer and fasting is America's only hope.**"

It shocked me to the core, and I can still remember it, like if it was yesterday. After that experience I preached that message of repentance for almost four years, two hours a week on live TV, together with my family. That was before the Lord call me and sent me to Latin-America as a Missionary/Evangelist.

It is widely known that we need to pray and sometimes even fast, but to repent with prayer and fasting is not often preached. Most believers think that it is up to God to send revival in his time to do so.

However in 2 Chronicle 20 we read about Israel, under the leadership of King Jehoshaphat, with their backs against the wall and with their survival in the balance, as they were being attacked by the enemy, how they turned to God with all their hearts with prayer and fasting.

They also gave heed to the prophetic voice of the Lord which is key: "**Believe in the LORD your God, so shall ye be established; believe his prophets, so shall ye prosper.** 2 Chronicles 20:20

But maybe the greatest scripture on the way to revival is found in 2 Chronicles 7:14:

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

May God bless America.
