

## Things that hinder the Spirit of God in the church.

(April 15, 2004)

### 1. *Religious Traditions, Habits, and Formulas*

### 2. *Intellectualism*

1 Cor. 2:5, That your faith should not be founded on the wisdom of men but on the power of God (His Word and Spirit).

### 3. *Emotionalism*

Faith is a function of man's spirit (heart) and comes by hearing the word of God (Rom. 10:17); emotions are part of the soul (mind, will, emotion).

### 4. *Equality*

The bible teaches we are equal in value but not in position. (Gal. 3:28; 1 Cor. 12:12-31)

### 5. *No Understanding of Fatherhood and Divine Order*

In Malachi 4:5-6 it says that the spirit of Elijah, which is the prophetic anointing, will reestablish the relation between the fathers and the children, which is divine order.
