Prophetic Warning For Sweden

(January 10, 2005)

While I was in my room in prayer, ***the Spirit of intercession suddenly stirred up from within me and cried out with deep groanings.*** I was in the spirit realm and saw an angel come into my room and stand in the corner. ***He brought a bright light with him and showed me a vision of the land of Sweden in a state of emergency.***

I saw many ***terrible events and natural disasters***, too difficult to put into words, which would come and shake Sweden to its core.

So terrible and bad, that what happened to Sweden recently pales in comparison. So powerful, many will not be able to handle them.

The Lord spoke through the angel and said: ***Call for fasting, praying, and sanctification.*** Not only including food, but also sanctification from selfish ambitions, infighting, and religious politics. ***This is a call from God in order to avert and delay these events.***

This is a call to repentance from a God of love and mercy, for the individual Christian, as well as the collective Church.

2 Chronicles 7:14; Joel 1:14; Joel 2:12,13,15

*Do not spurn the gifts and utterances of the prophets (do not depreciate prophetic revelations nor despise inspired instruction, exhortation, or warning). But test and prove all things until you can recognize what is good; to that hold fast. (1 Thessalonians 5:20-21)
