Is There Hope For Sweden? (A Vision)

(September 6, 2008)

I saw people looking to the Lord and shouting in their pain, "Do we have hope, do we have hope, do we have hope?"

Why are my family and children in trouble? Why am I sick? Why do I struggle so much in my economy and daily life? Does God really hear my prayers? Has He heard all the prayers that have been prayed for my nation, Sweden?

God says:

I have already heard and answered your prayers. I always hear and answer the prayers of those who call on me in faith. Your prayers came before my throne as you prayed in my name!

Be merciful! Show mercy, give mercy, and you shall receive mercy. Forgive others, and I will also forgive you!

Don't let your hearts be hardened but softened by my Word, because I have given you a heart of flesh, not of stone.

Believe my Word and do it, and you will see it come to pass!
