

Prophetic Impressions for 2011.

(January 18, 2011)

1. Sweden has been warned, and more terror will come, that is if there is no repentance in the church. **Back to basics is needed in the church with repentance, holiness (sanctification), fasting, and prayer.** (2 Chronicles 7:14)
2. **Sweden will see an awakening to God among the least likely part of the population** ([see earlier prophetic word](#)).
3. The Lord showed me that Europe, and the world, will be shaken in an even greater way because of political, religious, and financial instability, and now also because of extreme weather in the year of 2011. (See NOAA for recorded events of extreme weather in the U.S., [click here](#).)
4. The Lord said that He will shake and break the bread-basket (the people's faith in the kingdom of socialism) of Europe. **Economic uncertainty and problems within the Euro zone**, [click here](#).
5. **The Lord said that because of the uncertainty and instability, there will be the beginning of a great awakening to God as the only hope and way out, even in Europe.**
6. God is sending more Apostolic ministers, from different nations, to the mission fields of Europe, and they will be anointed to work signs and wonders from the Lord, and these signs and wonders will confirm the Word of the Lord.
7. Latin America will see a much increased revival, and also increased clashes between the Kingdom of God and the kingdom of socialism.
8. In the Middle East, Iran will see a greater outpouring of God's Spirit. At the same time, the persecution of the church will increase. Many Muslims will be saved because of their having visions of the Lord. **Even other Muslim nations (The Guardian's 2011 timeline of the Arab Spring, [click here](#)) will be shaken open by the Lord through secular forces, and as a result, open up for the Gospel of the Kingdom of God, as the revival among the Muslims continues to grow.** (Little did I know that this would be fulfilled within weeks of it being revealed by the Spirit of God. The very wording, "secular" was used on the broadcast of PBS The News Hour on February 11, 2011 during their coverage in speaking about the revolution in Egypt. For transcript of PBS News Hour, news analysis, [click here](#).)
9. The strong man of North Korea will be judged and visited by the armies of heaven (December 17, 2011 marks the death of North Korean Leader, Kim Jong I). **North Korea is standing right on the verge of economic collapse, and could fall apart in 2011, but this is depending on the prayers of the people.** There is a great harvest of souls to be brought in, as many will come to the Faith in that nation, and many will also be martyred. (See BBC news report of December 19, 2011, [click here](#).)
10. **America will be shaken in more ways than one during 2011 and it has already started. The economy will improve, but it will be on a surface level.**
11. More corruption will be exposed and judged in the church of America and also world wide, as the Lord is purifying his ministers and his bride (Malachi 3:3). *"And He shall sit as a refiner and purifier of silver, and He shall purify the sons of Levi. And purge them as gold and silver. That they may offer unto the Lord an offering in righteousness."*
12. In America, the Lord will continue to raise up young ministers that are not in the ministry for fame or money, or have sold out to the flesh, but are hungry for the Glory and power of God. These are radical believers that are willing and eager to go all the way with God, and even be martyred for their faith, if so be. **The Lord is also sending more missionaries to the United States of America. He will bring restoration to His church if there is repentance with prayer and fasting as stated in 2 Chronicles 4:17.** The Lord says that if the Muslims are willing to be martyred for their faith and the Christians are not, then that would make the Muslims more devoted to their faith.
13. The Lord says that the Church in America has been fed a one sided, sugar-coated, Gospel for the sake of popularity, but He is calling his ministers to repent, and He is also calling the new ministers to come forth and to preach His full counsel. **His Word must be seasoned with salt.** The Lord says not only to preach a feel-good message, which hinders the Church from growing up, but also teach the meat of the Word (Hebrews 5:12-14), **so that the Church can grow up and learn to walk in His strength and power, even in the earth before his soon return.**
