

Prophetic Impressions for 2012.

(January 26, 2012)

Note: See 2011 prophetic impressions that were fulfilled.

1. As I began to pray about and for the new-year 2012, in the last week of December 2011, I felt like Iran would be a real problem for Israel and the USA. I felt like they would acquire nuclear weapons unless stopped. When I turned on the TV news later that day, they said just that, and recently the secretary of defense, Leon Panetta, confirmed what the Spirit had told me in December of last year. So we need to really pray for Israel, or this could become a very unstable and dangerous year of war not only for Israel, but for the whole world. **Pray for the peace of Jerusalem:** they shall prosper that love thee (Ps. 122:6).
2. War can still be stopped through repentance with prayer and fasting, but without it war will break out in the Middle East.
3. Since the Lord told me on the day of 9-11-01 that this was the beginning of a great outpouring of God's Spirit among the Muslim nations, millions are now, according to this report, finding salvation through dreams and visions of the Master himself <http://www.youtube.com/watch?v=0sL2c6rr5dI>
4. North Korea was judged with the death of its leader, as the Lord said in the beginning of last year (see earlier prophetic word), and the revival of the South will spread into the North of Korea, just like the revival of South and Latin-American will spread into North America.
5. In the USA the year of 2012 will have a lot of turmoil and problems, as judgment continues in the USA against the system of this world. ***But there will also be a lot of opportunities and victories for those that live in the Kingdom of God (Goshen).*** The Lord said that it will take a miracle from God to change the direction of the United States, and it will only happen through the repentance with prayer and fasting, of the people of God. ***There is a spirit in Washington that wants to change this nation from capitalism to socialism.*** God wants "Kingdomism", and correction must start in the house of God. ***For the time is come that judgment must begin at the house of God 1 (Peter 4:17).***
6. Some Christians and Churches will this year, by faith, step into the fullness of their position in Christ Jesus, and great wealth will be released into the Kingdom of God in the earth (the wealth of the sinner has been stored up for the just, Prov. 13:22). It has happen before, but this time it will begin to be manifest more to the people outside the Kingdom of God. The Lord is calling on His bride to do this, and to manifest His glory and love in the earth ***before He returns*** for His blood washed virgin bride, the Church. ***The Word says that as He (Jesus) is, so are we in this world (1 John 4:17). It also says, he that saith he abideth in Him, ought himself also so to walk (live) even as He walked 1 (John 2:6).***
7. The weakness of the religious Church, that puts everything on God instead of correcting themselves by the Word and manifesting Jesus, will be revealed and exposed because of its lack of answers in ***this time of great tribulation, which is approaching the nations of the earth.***
8. The Lord is calling the Church to holiness and sanctification through repentance with prayer and fasting, and to step into full faith in the Word of His Righteousness. When acted upon, this will bring a tremendous manifestation of the sons of God and of God's glory and power in the earth beginning this year. It is already happening in the developing nations but will happen even in North America. ***For the earnest expectation of the creation waits for the manifestation of the sons of God (Rom. 8:19).*** The world needs to see Jesus in and through God's holy Church.
