**Prophetic Impression**

(September 15, 2014)

The Lord told me that the depth of our humility determines the height of our success. God resists the proud, but gives grace unto the humble. (James 4:6)

Prophetic impression:

The Swedish election 9-14-14 marks the beginning of four years of judgment over the land of Sweden. However, the Lord will make it four years of revival, if God's people in Sweden will seek his face in humility. (2 Chron. 7:14)

Profetiskt intryck:

Det Svenska valet i 14-9-14 markerar början på en fyraårig dom över Sveriges land. Men Herren vill göra det till fyraårig tid av väckelse, om Guds folk i Sverige söker hans ansikte i ödmjukhet. (2 Krön. 7-14)
