A Vision of Two Fires

(May 25, 2017)

As we were in prayer this morning for the victims of the terror attack in Manchester, and for the Body of Christ in Europe, I had a vision.

What I saw was like a split-screen with two fires, divided by a partition, and burning simultaneously.

When I asked the Lord of the meaning of the vision, he told me that there was a fire from hell burning in Europe, lit by Satan, and fueled by Islamic terrorism, and political correctness.

However, at the same time there was a fire from Heaven, lit by the Holy Spirit and fueled by the prayers of the Saints of the Body of Christ. The fire from Heaven is being poured out on those who are turning to the Lord with all their heart in faith and humility, with prayer and with fasting.

This fire of God will grow as more and more people turn to God for help.
