

Prophetic Impressions For Gregorian Year 2018

(January 1, 2018)

1. One of the greatest revelations that I have received from the Lord lately, is that God is trying to unify the Church and Israel in the spirit, and make them one in the Messiah. This will start to happen in a greater way this year. They are both called to be witnesses of the only one true and living God. The God of Abraham, Issac and Jacob.
2. The Lord showed me even before the presidential election in America, as I have stated before, that Donald Trump would be the next president of the United States. Now, He is showing me that because of President Trump's recognition of Jerusalem as the capital of Israel and increased support to Israel, USA will see **the beginning of 7 years of economic and spiritual revival.** (Psalm 144:6)
3. Honduras will see a new time of revival as the Body of Christ seeks **His** face in repentance with prayer and fasting—mostly among the young people.
4. The revival in Latin America, that is south of the border of the US, is continuing and spreading. In a even greater way it will also spread north of the border, into the U.S.
5. Now is the time for revival in the Scandinavian countries and in the nations of Europe. Crises and revival will walk together side by side. Signs and wonders will be seen as never before as a result of repentance with prayer and fasting, mostly among the youth and immigrant groups.
6. The Lord will perform a miracle of deliverance, as we pray, when it comes to the the nation of North Korea.
7. As we started to prophecy in year 2001, Muslims all over the world are continuing to come to the faith, as they continue to receive dreams and visions of Jesus.
8. Messianic Jews will see a revival and an increase in numbers and miracles, and so will the persecution against them. Many will receive the baptism of the Holy Spirit.
9. Prophetic ministry with signs and wonders from the Lord will be more needed more than ever before, because of increased prayer and uncertainty in many nations.

Quench not the Spirit! Despise not prophesying! Prove all things, and hold fast that which is good! (1 Thess. 5:19-21)

-Roger Wågsjö
