

## **Prophetic Impressions for Gregorian Calendar Year of 2019**

(January 21, 2019)

1. The Lord is calling and raising up a new breed of last day prophets and ministers in the USA, to preach and teach a more balanced message of the Word and the Anointing. Not only messages that taste good like desert and candy, but also messages that feed you and make you grow strong for victorious living, in order to bring in a great harvest of souls for the Kingdom of heaven in the USA and world wide.
2. The USA will see a great year of positive judgment and great abundance.
3. Venezuela will see a big change in its government and the beginning of revival. (see earlier prophetic word about Venezuela <http://www.artistsunitedinternational.com/tpv/pi/20180509esp.pdf> )
4. All of Latin-america will see increased revival, including Central America and Brasil. The Spirit of God specifically showed me a great revival in Honduras.
5. Israel will see increased blessing and increased persecution, and so will the Messianic and Christian community in the USA.
6. The body of the Messiah in Scandinavia and Europe will have great spiritual breakthroughs and the nations will see increased political turmoil. Sweden, specifically, will see a year of political judgment and spiritual break through.
7. Increased spiritual awakening among Jews and Muslims in Europe as well as the Middle East will be manifested. The unprecedented revival among Muslims in Iraq will continue to grow, as the Lord revealed to me on 9-11-2001. The Messianic community will continue to grow even greater in both Israel and Europe.
8. President Donald Trump of the United States, who the Lord has raised up, something the Lord showed me before the election, will prevail over his re-trackers, because the community of believers will continue to pray for him and his administration.
9. North Korea and South Korea will get even closer to unification as God in heaven is answering the prayers of the Saints in both South and North.

***Despise not prophesying, prove all things and hold fast that which is good. Thessalonians 5:20-21***
